6	Hello,
7	My name is Stephen Fabian and I am a census field enumerator. This evening I received a notice
8	from the census instructing enumerator to set our availability to one hour or less. I believe that it is in contempt of your injunction, and may be an attempt to defraudthe court by presenting
9	enumerator as not available to work. I am including a screenshot

ALERT. ALERT. !	
Do this now. Set your availability tomorrow through Monday as either NOT AVAILABLE or 1 hour daily.	
Do this now!!!	
You were assigned to my team today with no explanation. There are very few cases to work on. We are spreading them out to be as fair as possible.	
My boss is away. When she returns next week I will try to get back to you promptly with a plan.

because someone with my phone number sends me a text. With a promise of "maybe a plan" "sometime next week." That's several hundred dollars out of my pocket on the say so of someone I've never heard of.
I'm sorry to be so blunt, but I'm getting pretty tired of getting my chain yanked around randomly.

I will be dealing with Mr. Robertson outside of this group text. I encourage everyone to communicate individually from here on out.
